## IF YOU CURRENTLY HAVE DENTAL INSURANCE...

- Make sure that your dentist is still accepting your insurance plan (not just the company). Most dentists do not drop plans often, but it is always good to verify coverage while you can still make changes.
- Make sure that any additions or deletions to your plan have been made on an enrollment/change form (i.e. birth of a child, address change, etc).
- If you decide to switch coverage to another carrier, be sure to **CANCEL** your previous plan by filling out an enrollment/change application.
- Submit applications at the Benefits Fair or to Amber @ 39 S. 400 W., Orem UT 84058 or by fax (801) 224-6137.
